

WELDCO

MMA160

MMA/ARC/TIG
INVERTER WELDER

Weldco's all-new MMA160 with Ultra clear easy-to-read LED screen and pulse MMA function is packed with features to make every weld a professional one.

- Fully adjustable Hot start and ARC force.
- MMA pulse function is ideal for thinner material where a traditional non-pulse welder can burn through
- DC Lift TIG ready for Mild steel, and Stainless steel with optional TIG Torch and regulator (not included)
- Suggested rod diameter and material thickness guide.
- Multi-board construction ensures long service life and increased performance
- Designed for use with 10 Amp plugs enabling the machine to use electrodes from 1.6mm to 4mm when power is at a premium.
