

WELDCO™

MIG145^{CB}

MIG/MMA INVERTER WELDER

READY TO WELD PACKAGE

- The Weldco 'Ready to Weld Package' has everything needed to start your welding journey.
- With the Weldco MIG145, a powerful, smooth and stable 140 amp Welder, with 10amp plug output.
- Gas and Gasless Mig and Arc (MMA) capable, this machine is the ideal starter package.
- Complete with Gasless wire to get to welding.
- The package also keeps you safe with the latest auto-darkening helmet, switching from light to dark as soon as the arc is started, and welding gloves to protect your hands and forearms.
